## Trusted Solutions to Life's Challenges

From online information to confidential consultations with licensed behavioral health professionals, you and your eligible family members have access to a wealth of practical, solution-focused resources to help you reduce stress, strengthen relationships, increase productivity and improve the overall quality of your life.

The ParTNers Employee Assistance Program (EAP) provides:

- Up to five counseling sessions per problem at no cost to you
- Workplace Support team for managers
- Legal and financial consultation services
- Website and telephone assistance to help with everyday situations

## So Much to Do... So Little Time

Life moves fast. These days it seems like everyone is asked to do more in less time and with less help. With all you have to do, it can be hard to focus on everyday matters, let alone issues that are difficult to control, such as:

- Changes in your financial situation
- Family or relationship problems
- Overwork or conflicts at work
- Feeling depressed or anxious
- Quitting tobacco, alcohol or drug use
- Caring for children or aging parents

Challenges like these can make life hard. And when you're busy, you might not think there's time to find solutions.

So, it's important to know that the ParTNers EAP offers a program that can help you solve everyday problems **confidentially, 24 hours a day, seven days a week.**

There's no cost to you and your eligible family members to use the ParTNers for Health EAP. It's important for you to also know that any costs or copayments beyond this program will be your responsibility. Contact Magellan Health Services for additional information about your behavioral health benefits.

*"We were going through a tough time and needed help to get back on track."*

## Easy Access to Services
